Strategies
Planned Absences
Planned absences include Annual leave, Long service leave, Rostered days off, and Study leave.

All Educators and Staff will:

- Submit leave forms in advance and have them approved by the Nominated Supervisor prior to booking holidays. All approval of planned leave will be subject to the operational requirements of the education and care service. Approval may not be granted if there are insufficient replacement staff with equivalent skills, knowledge or qualifications to enable the service to meet statutory obligations. Leave will not be approved unless all forms have been submitted. For further information consult Bega Valley Shire Council policy 5.04 Conditions of Employment. Check that approved leave and replacement staff have been included in the roster, and advise the Nominated Supervisor immediately of any gaps.

- Provide any significant hand-over information to the Educational Leader, Nominated Supervisor or relevant replacement person. This information should include updates on any ongoing issues that affect the operation of the education and care service, or the children, families, staff or others using the service.

Unplanned Absences
Unplanned absences include Sick leave, and Bereavement leave.

All Educators, Staff, Students, Volunteers and others will:

- Ensure they have an up-to-date list of appropriate phone contact numbers for their education and care service.
