

The disclosure log sets out the date the decision was made to release the information; a description of the information released; and details about whether that information is currently available and how it can be accessed.

Be aware that the log lists the information requested, relevant to a specific time and may not contain the most up-to-date version of the information.

In deciding to release information in response to a GIPA access application, consistent with the GIPA Act consideration is to be given to personal factors of the application as outlined in section 55 of the GIPA Act. For instance, where other members of the public request access to the released information described on the disclosure log, Council may delete certain information relating to the original applicant's personal information; business, commercial, professional or financial interests; research carried out by or on behalf of the applicant; or information concerning the affairs of another government department.

The disclosure log will be updated, on a six monthly basis with additional information is released under the GIPA Act.
