Community Grants Program

Information and Guidelines

Overview

The BVSC provides financial support through grants, donations, scholarships and/or reimbursements to a range of individuals, community groups and organisations. It does this on the basis of supporting and adding to the work undertaken by community members and volunteers across the Shire and also to support those people in our community that on occasion need a helping hand. In partnership with the community BVSC can deliver outcomes that, on its own, may not otherwise be delivered.

Under the Local Government Act 1993 (NSW) local councils are able to provide funding and resources to groups or individuals to undertake activities that they may or could have otherwise done themselves.

Hence, it is important that any funds provided by BVSC to the community support the ultimate achievement of the BVSC Delivery Plan and/or Community Strategic Plan priorities and actions, or other adopted strategies and plans. These are accessible on the BVSC website at BVSC website www.begavalley.nsw.gov.au

BVSC has determined to provide a community grants program that aligns with the current Community Strategic Plan. Over time this may evolve as the Delivery Plan and Community Strategic Plan are amended or updated. BVSC also has specific partnerships with arts and sporting organisations where it provides financial support for the work they undertake in the Shire. That information has not been included here.

Eligibility criteria

Before applying for a BVSC community grant it is important to understand whether you or your group are eligible.

The following eligibility criteria apply to all community grant programs:

- Organisations/individuals applying for grants/donation/scholarship must be based/live in the Shire, or have a strong association with the Shire;
- The program, service or activity must benefit the Shire community or an individual from the Shire;
- Organisations must be Not-For-Profit (including education institutions); some exclusions apply;
- Applications will be accepted from Committees of Council and Crown Reserve Committees;
- Applicants must have acquitted and met any conditions of previous BVSC grants; and
- All applications must be submitted using the current application form and completed in full.

Applications to the community grant programs may not be eligible if the:

- Proposed activity, program or service is considered primarily the responsibility of State or Federal Government or could be funded from other sources including fees and charges. For example core school curriculum activities;
- Activities take place outside the Shire, with the exception of scholarships and sporting and cultural representation;
- Activities replicate existing services or activities, except where it can be demonstrated that the activity is expanding and reaching new participants;
- Activities are for-profit or private gain; (some exclusions apply)
- Application is for ongoing staff salaries or administration costs;
- Activities would bring the reputation of the BVSC into disrepute;
- Application could be judged as promoting antisocial or illegal behaviour;
- Application is for faith based (religious) or political activities;
- Applicant has a ‘bad debt’ with BVSC, that is owes money outside of agreed payment terms; or
- Application is seeking retrospective funding.

Common assessment criteria

There are some common assessment criteria that are applied to all community grant programs and form part of the minimum requirements for all prospective applicants.

Applications will be assessed against following criteria\(^1\) and specific program criteria:

- Meet the general eligibility criteria (listed above);
- Applications must comply with legislation, regulation and BVSC policy relevant to the activity;
- Applicants must agree and be legally able to enter into a funding agreement with BVSC;
- Alignment with BVSC strategies, plans and/or policies;
- Evidence of need;
- Demonstrated community support;
- Capacity of the applicant to deliver;
- Clearly outlined benefits and measures of success;
- Inclusion of a realistic and evidence based budget; and
- Adherence to the specific grant program requirements including submitting applications on time.

Submission of an application does not automatically guarantee a grant, donation, scholarship and/or reimbursement from BVSC.

A past level of grant, donation, scholarship, reimbursement and/or in-kind (non-cash) support does not guarantee a future level and should not be relied on or used to enter into other arrangements regarding your project/activity.

For specific grant program assessment criteria, see www.begavalley.nsw.gov.au/grants.

\(^1\) Not all the common assessment criteria apply to scholarships and individual support.
Successful application requirements

Successful applicants in the BVSC community grant programs will need to meet the following terms and conditions; however some grants may have additional requirements specific to that grant program:

- Accepting a BVSC Community Grant will create binding obligation between BVSC and the signatory;
- The grant, donation and/or scholarship must be used for the activity which it is provided;
- Any change to the proposed use of the grant, donation and/or scholarship must be agreed in writing by BVSC;
- If the grant is not spent in accordance with the agreement (or as amended with BVSC’s written agreement) the full amount of the grant is repayable to BVSC;
- The grant, donation and/or scholarship does not commit BVSC to future support for the activity or any other activity run by the applicant;
- Any unspent funds must to be returned to BVSC;
- In-kind or non-cash support may be available, but will only be provided if resources and operational requirements allow;
- An acquittal of the grant, donation and/or scholarship will be required following the activity. Appropriate records including receipts and photos must be kept; and
- BVSC must be acknowledged on all promotional material.

In-kind (non-cash)

In-kind or non-cash support is where BVSC provide assistance to activity organisers in ways other than through a cash donation or grant. There is still a cost to provide the assistance, but these costs are borne by BVSC not the organiser. Non-cash support may include things such as extra cleaning or site preparation, assistance with promotion, advice on use of public space, legislative or other regulatory requirements and so on.

Some activities have minimal requirements and are easily absorbed as part of BVSC normal works through scheduling and programming, other activities have traditionally sought significant non-cash support, which comes at cost that can impact on other BVSC activities.

Non-cash support is assessed on an application by application basis, and is only available within operational and budgetary constraints. Past non-cash support levels may not be able to be provided into the future.
**Goods and Services Tax**

GST may apply to your grant funding, depending upon your organisation’s tax status. For GST purposes your organisation, will be required to provide an Australian Business Number (ABN), or a declaration indicating a valid reason for not quoting an ABN.

If the successful grant applicant is GST registered, the successful applicant will need to provide Council with a tax invoice for the approved grant amount (plus 10% GST), once they have been notified of their success.

If a successful grant applicant is not GST registered, then GST does not apply to the grant funding.

For advice about GST issues, call the Australian Taxation Office on 13 28 66 (For businesses), 13 28 61 (For individuals) or visit their website at [http://www.ato.gov.au](http://www.ato.gov.au)

**Dispute resolution**

Grant/donation allocation decisions made by the Council of the Bega Valley Shire are final and will not be reviewed.

Decisions made by officers are open to the normal BVSC complaints process. Information is available on Council’s website at [www.begavalley.nsw.gov.au](http://www.begavalley.nsw.gov.au).

Help or further information

For specific grant information including program objectives, funding amounts, application dates, eligibility and timelines, see www.begavalley.nsw.gov.au/grants.

The Grants Administration Officer can be contacted to discuss ideas and proposals prior to lodging applications on 02 6499 2222.

Other grant programs

The BVSC Community Grants Program may not be the grant program you or your group are looking for. There are many other grant opportunities available that may be better aligned to what you are hoping to achieve. As other grant opportunities change from year to year, BVSC officers may be able to assist with other opportunities.

Other grant programs include:

- **Mumbulla Foundation** – Annual funding program [http://mumbulla.org.au/](http://mumbulla.org.au/)
- **NSW State Government grants** – Public Reserve Management Fund, volunteer grants, arts and cultural grants, environment and heritage grants etc. These are generally advertised through local media when available.
- **Commonwealth Government grants** – Include a range of small and large grants. These are generally advertised through local media when available
