The Bega Valley Suicide Prevention Action Network was established in late 2010 as a result of community concern around suicide.

It is made up of community members as well as service providers and is committed to increasing awareness around the issue of suicide.

The network believes suicide can be prevented and everyone in the community has a role to play in suicide prevention.

We welcome participation in this network and hope to draw on different skills and experience of the variety of members in our Community.

PATRON

The Hon Dr Mike Kelly AM MP
Federal Member for Eden Monaro
