Report by Responsible Accounting Officer

The following statement is made in accordance with Clause 203(2) of the Local Government (General) Regulations 2005:

It is my opinion that the quarterly budget review statement for Bega Valley Shire Council for the quarter indicates that Council's projected financial position as at 30 June 2020 will be satisfactory, having regard to the projected estimates of income and expenditure and the original budgeted income and expenditure.

It is important to note that Council was impacted by major bushfires, Flood and COVID19 Pandemic, whilst some of the additional costs have been recognised in the following figures a full assessment of bushfire damages is continueing.

Signed: Judy Jordan Responsible Accounting Officer 20 May 2020
