## Kids speak of their 'community ambitions'

Students from Bemboka Public School and the Mumbulla School for Rudolf Steiner Education have met with

Bega Valley Shire Councillors; sharing their thoughts and wishes for the future.

The discussion and activities are part of Council's "Understanding Our Place" consultation and were used to shape a series of draft community ambitions.

The end result is a new Community Strategic Plan that will help inform Council's future spending and planning.

The kids are keen to see better footpaths and more bins, a more inclusive Australia Day celebration and they spoke of their love of skate parks.

The opportunity to feedback and contribute is open now for the whole community, go to the 'Have Your Say' section on Council's website and click on 'Community Ambitions' submissions close on December 1.
