Bega Valley Shire Council's Seniors Festival 2017 Grant Guidelines

What is Seniors Festival?

Seniors Festival is held annually across Australia. It is an opportunity for people of all ages to join together and celebrate the valuable contributions of older Australians in communities. In 2017, Seniors Festival will run from Friday 3 March to Sunday 12 March.

The theme of Seniors Festival 2017 is "inclusive Communities" with the key objectives to:

- empower older people in NSW to stay connected and contribute to their communities;
- empower older people in NSW to live active and healthy lives with improved physical and mental wellbeing;
- bring together local community organisations to produce multicultural, intergenerational or lifestyle small or large scale events for seniors in their community;
- harness opportunities for seniors to continue to participate in activities outside of the NSW Seniors Festival; and
- encourage opportunities for seniors to continue to learn.

Program Objectives

Bega Valley Shire Council is supporting community groups to hold events and activities which meet the above Seniors Festival 2017 objectives. Seniors are required to be actively involved in the planning and delivery of Seniors Festival activities. Activities should be free to all participants and encourage diverse participation.
