## HYDRAULIC CATEGORY MAPS

---

**LEGEND**

Hydraulic Category

- Flood Fringe
- Flood Storage
- Floodway

Notes:  
 Aerial photograph: Google Satellite 2019  
 Only areas subject to inundation depths of more than 0.1 metres are displayed

Scale 1:27,000 (at A3)

**Figure 38.1**  
**Hydraulic Categories**  
**for the 5% AEP Flood**

Prepared By:  
**Catchment Simulation Solutions**  
 Suite 10.01, 70 Phillip St  
 Sydney, NSW 2000

File Name: Figure 38 Hydraulic Categories for the 5% AEP Flood
