

be kind

Campaign

It's been a tough year for everyone.

So let's band together as a community and show a little kindness.

Be kind to others and be kind to business.

How to get involved

Be Kind to Business reminds us how we can support local businesses – whether you're a local, friend or family member, a loyal returning visitor, or someone enjoying our amazing places and people for the first time.

We've got stickers, coasters and postcards to get things started.

You can download the Be Kind Toolkit to personalise your message and print off posters.

Encourage people to be patient or to share random acts of kindness by using hashtags:

#BeKindBegaValley

#RandomActsofKindness

#ThanksForYourPatience
