

Weekly market

Regarding the decision to allow a weekly market in Bega's Littleton Gardens. A licence agreement with any potential user is required as this land is Council managed Crown Land. This is a requirement of the NSW Government, and any agreement must be approved by the NSW Minister for Lands. We have recently met with SCPA representatives and resolved on a way forward.

Tourism funding

The recent State and Federal funding received for tourism infrastructure in Merimbula and Eden is fully committed. This means that developments at Merimbula airport for improvements to the runway and terminal, and the extension of the Eden wharf will go ahead regardless of a federal election outcome. We thank the NSW and Federal Governments for their support.

positionsvacant

- Casual Learn to Swim instructors. Applications close 7 June.
- Civil Assets Manager. Applications close 9 June.

Visit Council's website for more info.

Satisfaction survey on the way

Recent comments in letters to local newspapers claim that Council's Community Strategic Plan review will not be informed by an independent customer satisfaction survey. This is not true.

The Community Strategic Plan will be formed from numerous consultations, with the first, a community ambitions survey having recently travelled the Shire's towns and villages.

The next stage will be targeted focus group consultations, followed by the third and final stage which is the vital customer satisfaction survey.

Together, the information gathered from each of these stages will form the reviewed Community Strategic Plan, which will be deliberated and adopted by a newly elected Council in June 2017. This will provide a window into the things that really matter in the community, and it will provide an ideal opportunity for the new Council to plan ahead using this information.

Get news!

We communicate Council news in many ways. Try signing up to some of these to keep up to date with all the latest.

E-News: send us your email address or sign up on our homepage and you'll receive this handy fortnightly newsletter.

Village Newsletter: look out for these in the windows of local post offices and in your inbox. Send us your email address and you can keep up to date with all the latest village news.
